AVIATION INSTITUTE OF MAINTENANCE

# STEP INSIDE OUR HANGARS

PROGRAM-FOCUSED TRAINING

GRADUATE IN ABOUT 2 YEARS

## 15 CAMPUSES AND COUNTING.

With campuses located coast-to-coast, we communicate with dozens of companies like Delta, United, PSA, American Airlines, Southwest, FedEx and Cessna which directly hire many of our graduates.

## WE DEVELOP SKILLS THAT ARE IN-DEMAND...

Aviation Institute of Maintenance seeks industry feedback about our curriculum to identify the specific skills and technologies that industry leaders need.

## ...AND SUPPORT ALL THE WAY TO GRADUATION.

We offer student services, such as financial aid if you qualify, veterans services, day or evening classes and job placement assistance.

# OUR HANDS-ON TRAINING GETS YOU CLOSER TO THE REAL THING

Aircraft Manufacturers

## TRAIN TO WORK ON:

Commercial Aircraft  
Vintage Aircraft  
Unmanned Aerial Vehicles  
Private Jets

A man with dark hair and a mustache, wearing a black t-shirt with a white 'AM' logo and grey shorts, is focused on working on the engine of a white aircraft. The aircraft's engine cowling is open, revealing internal components. The background is slightly blurred, showing more of the aircraft's structure.

## **WE'RE AN ACCSC ACCREDITED AND FAA APPROVED A&P SCHOOL.**

After you graduate, you'll be eligible to take the FAA Exams needed to get your mechanics' certificate with ratings in both Airframe and Powerplant. Check out our program brochures for training details.
